Thank you for your thoughtful gift to support VCU Massey Cancer Center. Caring advocates like you continue to inspire us to do our best work every day.

Your heartfelt generosity provides critical resources for the center, allowing us to pursue innovative research opportunities which lead to improved patient care. Because of you, our faculty, researchers and clinicians are better prepared to fight the ongoing battle against cancer.

This commitment is more meaningful than ever given the impact of the COVID-19 pandemic on our campus and around the world. Your gift represents your unwavering support in helping our institution maintain stability during an uncertain time.

Thank you, again, for your dedication to VCU Massey Cancer Center.

Sincerely,
